Almighty God,
who called your Church to bear witness
that you were in Christ reconciling the world to yourself:
help us to proclaim the good news of your love,
that all who hear it may be drawn to you;
through him who was lifted up on the cross,
and reigns with you in the unity of the Holy Spirit,
one God, now and for ever.

LEADING FOR A CHANGE led by our Director of Ecumenical Mission John Robertson, is our programme designed to equip and empower you as a Christian to bring about positive change through missional projects. The kinds of change envisaged lie within two broad categories: Change initiated together with community partners. This may have a focus on the 3rd, 4th and 5th Marks of Mission and Change which initiates new missional projects within the church.

The course adopts a community organising model developed by Citizens:MK within a Christian framework by which Christian beliefs, values and purposes are expressed and become drivers for change. The course has two distinct phases: a teaching phase which takes place at the beginning of the course, starting in September, and an action phase which follows during which participants will take on a Change Project. This latter phase will be supported by regular action learning sets.

DISCOVERING THE CORE OF CHRISTMAS – led by Steve Chilcraft. This course will explore Christmas, its biblical background and the issues it raises. The course will take place over 4 evening sessions at Christ Church in Stantonbury. *Santa Claus is Coming to Town* – Turkeys, trees and tinsel: examining our Christmas traditions and testing the commercial Christmas. *Come thou long expected Jesus* – The Biblical background to Christmas: what did the prophets foretell? What kind of Messiah were the people expecting? Where does John the Baptist fit in? *O Little Town of Bethlehem* – Miracles at midnight? What does the Bible really say about the birth of Jesus? Understanding the narrative. *The Word became Flesh* – Jesus, human and divine? Exploring the theology of the incarnation and its implications for us.

Whether you are a first time visitor or one of our regular worshippers, we offer you a warm welcome to our church family and hope you find what you need among our worship and other activities. Please introduce yourself to one of the welcomers and feel free to stay for a time of friendship and fellowship over coffee after the 9:30am and 11am services. Children of all ages are welcome – please feel free to meet their needs wherever is most comfortable and please ask if there is anything you need or can't find. Large print books are available, and we have T-loops.

FAMILIAR PARABLES of the shepherd searching for the lost sheep and the woman who is searching for her lost coin are our readings today. They remind us what it is to be found by God, and challenge us to not only search out the lost, but also to welcome them into our community.

TODAY it is Battle of Britain Sunday and we are delighted to welcome the 2532 (Milton Keynes) Squadron RAF Air Cadets to our service at St George's. We will remember and give thanks for all those involved in the Battle of Britain.

BRODIE TAYLOR will be baptised at Holy Trinity Church this afternoon and welcomed into our Church family. We give thanks for his mum and dad Katie and Jonathan and brother and sister Alfie and Rubie-Mae and we welcome them and their friends and family to our church.

THERE WILL BE A TAIZÉ SERVICE on 29th September for St Michael & All Angels.
